HARDENED, MISSION-CRITICAL PTZ CAMERA FOR THE MOST EXTREME ENVIRONMENTS

The Esprit Compact is a hardened, mission-critical pan-tilt-zoom (PTZ) camera that can withstand the most extreme environmental factors. This security camera is built to withstand most outdoor environments while maintaining continuous clear, high-resolution live and recorded video, with up to 8 MP and 40x zoom. Built for operations that have extreme operational requirements, this camera is ideal for monitoring cities, ports, industrial plants and enterprise facilities.

Designed to have superior strength and durability, it is tested to MIL-STD-167-1A and 810G, allowing for extreme shock and vibration tolerance. It also is NEMA TS2 and IP66/67 rated to withstand extreme weather, shock, vibration and humidity.

The Esprit Compact is built with Smart Analytics, powered by Motorola Solutions, equipped with ONVIF Profile S, G and T and is NDAA-compliant, allowing for open connectivity with Pelco VideoXpert and leading partner VMS'.
